and a Wide Gain is Evidenced—
Extra Divided by United States
Steel Beneficial to Stock.(By Associated Press.)
NEW YORK, Jan. 26.—The action of today's stock market represented a conclusive readjustment of the price level, rather than a measured recovery induced by steady demand. This was seen in the fact that first prices of the day were within a fraction of the highest record, except for the copper, on the merger report.
The opening of the stock market presented a condition of violent confusion and wide gains over last night's prices. The fierce rush to buy demonstrated clearly that much of the heedless selling which went on yesterday was bear speculation and had left uncovered short contracts on an enormous scale that the sudden transformation in the mood of the speculation had little to explain it in the news of the day. The extra dividend declared by the directors of the United States Steel Corporation, after the close of the market yesterday, was an event beneficial to the statute of the stock, certainly and of cheerful import to prospects for values and promise for industrial prosperity.
Besides the strong sustaining force of the necessities buying by uncovered shorts, there was substantial relief by the extensive liquidation which had effect, and which has cleaned out the weak spots all through the market.
An incident of the day was the further collapse to 12 in the price of Columbus and Hocking Coal & Iron, following the appointment of a receiver for the property.
Foreign influences did not give much aid to the recovery. Official estimates of the prodigious losses caused by the floods in France radiating a depressing influence from the Paris market. There were sharp reductions in the loaning rates for money on time here.
The final jump in the copper industrial, with the circumstantial reports that the merger was imminent, checked a late reaction in the general list with the highest of the day touched during the final hour.
Bonds were strong. Total sales, par value, \$3,289,000. United States bonds were unchanged on call.
Total sales for the day were 922,200 shares, including: Amalgamated Copper, 49,400; Sugar, 1,260; Tobacco, 400; Atlantic Coast Line, 900; Chesapeake & Ohio, 20,900; Louisville & Nashville, 2,100; Reading, 191,300; Sloss Sheffield, 200; Southern Pacific, 34,200; Southern Railway, 6,100; Southern Railway pfd., 1,600; Union Pacific, 103,100; United States Steel, 229,300; Virginia Carolina Chemical, 4,600.**Closing List.**

CHICAGO, ILLS., Jan. 26.—Wheat was the only grain here which showed a new gain at the close of a day's trading, chiefly remarkable for fluctuations. The major cereals advanced from 1/2 to 3/4 in the final figures while corn and oats fell off from a firm opening and finished 1/4 to 1/2 down. Provisions under the influence of investment buying showed strength and closed firm, from 1/2 to 1 1/2 up.**Articles Open High Low Close**

Education Is Power

But it is all the more powerful if it can do things. You cannot, in the game of life, do things without knowledge, and it must be practical knowledge. The ignorant cannot compete with the educated, and especially is this true in the great business world.

The differences between success and failure is simply the difference between education and ignorance. Young men and young women the world is waiting for you, but you must come prepared. It is the work of the
